

★ ENGLISH LANGUAGE & AMERICAN CULTURE ★ Kindergarten - 6th grade (Ages 5-11)

TYPICAL DAY AT CAMP

Fairmont's unique program offers English language instruction in conjunction with a cultural immersion component designed specifically for international students. Students benefit from intensive English language instruction each Monday through Thursday morning. In the afternoon, they have the opportunity for hands-on language learning and cultural exchange as they participate in Fairmont's summer camp together with American students. On Fridays, international students join their new American friends on excursions to a number of world-class destinations in sunny Southern California.

Students will be assessed upon arrival and placed in the appropriate grade/ability group.

7:00 am-9:00 am Complimentary Morning Extended Day Activities

9:00 am-12:00 pm English Language Instruction

Visiting international students will focus on language acquisition and fluency through hands-on learning activities designed to help them become more comfortable speaking English. Students will be ability grouped and will study with the group, individually, and with a Fairmont teacher.

12:00 pm-1:00 pm Integrated Lunch and Free Play

Campers will receive a hot lunch program Monday-Thursday. Campers must provide a sack lunch on Friday field trips unless it is provided. After lunch, campers enjoy a variety of free play opportunities with other Fairmont Summer Camp attendees.

1:00 pm-4:00 pm Integration with Fairmont Summer Camp

After the morning English language study, international students will integrate with American students at Fairmont Summer Camp to practice speaking English. In the afternoon, students enjoy educational art, science, cooking and music activities, swimming, and visits to the arcade or game rooms together with their new American friends. On Fridays, international students join their camp friends on excursions to a number of world-class destinations in sunny Southern California.
